

THE ALZHEIMER
SOCIETY *of* IRELAND

Suppliers of adapted clothing

Listed below are just some of the suppliers of adapted clothing for people with dementia. Adapted clothing is designed to make dressing and undressing easier. A garment may have a back opening, a side zip, easy to pull tags, soft pop fasteners, or use Velcro or elastic to replace standard buttons and zips. Sleeves and trouser legs can be wider, so they are easier to put on and take off.

Irish Companies

Comfort Clothing

Website: www.comfortclothing.ie

Email: monica@comfortclothing.ie

Tel: 086 601 2479

Adapta Fashion

Website: www.adaptafashion.ie
