

Day Centre Manager – Glengoole Co Tipperary

The Alzheimer Society of Ireland works across the country in the heart of local communities providing dementia specific services and advocating for the rights of people affected by dementia to quality supports and services.

Our vision is an Ireland where people living with dementia and their family are valued and supported.

A national non-profit organisation, The Alzheimer Society of Ireland is person centred, rights-based and grassroots led with the voice of the person living with dementia and their family at its core.

We are recruiting a Day Centre Manager to lead the Day Centre service in Glengoole, New Birmingham, Thurles, Co Tipperary E41 AO65 who will report to the Operations Manager.

This is a permanent contract working 8.5 hours per week.

You will need good communication skills, be open and enthusiastic, have a positive attitude, lead by example, make staff feel valued, and be able to work on your own initiative as well as part of a team.

To succeed in the role, you should have experience supporting People Living with Dementia.

Experience in Human Resource Management, Budget Management, Quality standards and risk management is desirable.

A Social Care Degree or Nursing Degree is desirable.

Salary will be commensurate with the care sector, and dependent on relevant experience.

A detailed job description is available on The ASI website: www.alzheimer.ie/careers

If you are interested in applying for this post, please submit a full and up-to-date CV and covering letter explaining why you feel you could undertake this role and send it to recruit@alzheimer.ie

Closing date for applications is 3rd July 2026

The Alzheimer Society of Ireland is an Equal Opportunities Employer.

Job Title: Day Care Manager	Job Holder:
Job Location: Waterford	Reports to: Operations Manager

Purpose of Position:

The Day Care Manager is responsible for providing best practice dementia specific care to all the clients in the Day Care Centre. He/she provides and promotes a model of care which is person centred, community focused and has an appreciation of the needs of the carer. He/she is responsible for managing and guiding all of the staff required to run the centre. He/she is responsible for health and safety and administration of the day care centre.

Main Duties and Responsibilities:

1. Assess and provide appropriate client care in the centre:

- Respect the rights, dignity and confidentiality of all clients that attend the day care centre and their carers/advocates.
- Build up a trusting relationship with clients and their carers so that they feel secure in the day care environment.
- Provide care to clients as required e.g personal care and hygiene, glucose checks, dressings, colostomy care, observing urinary output and bowel movement, taking temperature and blood pressure and recording same where necessary etc.(CAN NON NURSE MANAGERS DO THESE)
- Administer / Prompt medication provided by the GP to the client
- Provide a service to the client that focuses on increasing their self esteem and provides a better quality of life for the client and their carers.
- In consultation with the clients, carers/advocates, care workers and volunteers in the centre devise and implement suitable holistic care plans for the clients
- Liaise with Home Care Co-ordinators/PHN's regarding clients requirements for day/home care service
- Responsible for proper administration and recording of all care plans and medication prescribed to the client and the safe storage of same in the day care centre.
- Ensure that the personal care needs including wound dressing and medical care as requested by PHN/GP are met and that attention is paid by staff to client dignity, hygiene and safety standards.
- Provide stimulating and enjoying activities for the clients in a relaxed and homely environment in the centre
- Escalate any client nursing concerns to the PHN
- Promote good relationships with carers and a partnership in care approach. Welcome any visitors to the centre and give feedback to family carers regarding clients in the centre or consult with them on the wellbeing of their family member.
- Provide phone support and relay information to family carers on issues arising in the daily care of a client in the centre.
- Provide care supports and education to family carers
- Arrange chiropody clinics weekly and administer and document payments for same

- Document any client accidents/incidents or complaints and report them to the Operations manager and HR if necessary

2. Supervise, co-ordinate and support the work of all staff assigned to him/her:

- Manage all staff & volunteers i.e. carers, kitchen staff, bus drivers (when applicable) and escorts in the day care centre by ensuring clarity of roles, assignment of duties, adequate staff client ratios at all times, arrangement of leave etc.
- Ensure that all new employees and volunteers receive appropriate induction and their ongoing training needs are periodically reviewed and actioned
- Ensure fair and consistent application of all Society policies and procedures as applicable to the day centre.
- Conduct regular performance reviews with all staff and deal with any breaches of policy, disciplinary or grievance matters in a timely manner.
- Hold regular meetings with staff on matters relating to the running of the centre, care provision, staff matters, updates of existing policies and procedures, induction to new policies etc.
- Deal with any staff issues in a timely and effective manner. Liaise and take advice from HR where necessary.
- Liaise with the Home Care Co-ordinator when staff cover is required in the centre or of necessary on client referrals
- Ensure staff and volunteers receive induction and ongoing training. Provide necessary reports and practical tasks for those doing FETAC Level 5. Maintain all necessary records and costs on same. Ensure staff training is up to date i.e. .People Moving and Handling, First Aid etc.
- Ensure that an open, learning culture is created and maintained.
- Advertise and recruit for volunteer activity staff and ensure all required paperwork is processed for these staff
- Assist in the placement of students looking for work experience in the centre. Give induction and ongoing supervision during their stay. Administer any paperwork required by the college for this student including if necessary the provision of a report on their performance whilst on the placement.

3. Carry out the administration required to provide an efficient and effective Day Care Centre:

- Keep and maintain appropriate records of clients in receipt of day care
- Input required data into the billing system for issuing invoices to day care clients.
- Ensure that accurate statistics are recorded for the day care service and provide reports to the Operations Manager, Committee and the HSE in regard to same.
- Liaise with the client's primary carer and public health nurse to complete the day care record
- Maintain desk diary and day book with all required communication
- Order the required numbers of dinners for each day and document same
- Process correspondence from client's primary carer and administer any processing of payments etc.
- Order required provisions for the day centre e.g. foods, kitchen/toilet paper, anti bacterial gels etc.
- Apply for grants and ensure any grant income received and other income streams are utilised appropriately and to best effect. Account for all monies spent to grant provider.
- Apply for VEC activity funding and maintain records of same
- Maintain all required record systems relating to management of the centre, staff and volunteers and make available to National Office and Regional Manager such records as required
- Comply with food hygiene regulations and safe storage and administration of medication to clients

- Ensure Fire & Burglar alarms, Emergency lights, Fire extinguishers, hoists, electrical appliances etc are checked as and when required to ensure they are in good working order and maintain records of same
 - Ensure the maintenance and general care of the day care centre and it's contents and the garden area. Ensure the heating boiler is maintained and serviced and that there is adequate heating oil at all times.
 - Ensure safe keeping of donations or client money given to you
 - Maintain daily attendance record
 - Appraise and supervise a bi annual fire drill in the centre
4. Ensure there is an awareness of the issues relating to dementia at a local level and promote the services provided locally by the Society:
- Network and liaise with other service providers, health professionals and potential referral sources e.g PHN's, GP's etc to promote the service.
 - Organise events/seminars that could help promote the service
5. Keep the chairperson/committee informed on issues for their attention. Support the committee in fundraising activities from time to time e.g. Tea Day, Christmas sales etc
6. Attend training courses, conferences and meetings with the regional manager as required
7. Carry out any other duties that may be assigned from time to time.

The above statements are intended to describe the general nature and level of work required from this position. They are not intended to be an exhaustive list of all responsibilities and activities required. The holder of this position is required to respond with a flexible approach when tasks arise which are not specifically covered in this job description.
